Subject: VENDORS LETTER OF HACCP COMPLIANCE

1. We, Hickory House, agree to comply with the following criteria in order to be an approved vendor for all customers.
2. We guarantee to operate our facility in accordance with the requirements of 21 CFR 123, Seafood HACCP regulation. We further agree that all products will meet your product specifications where such a specification exists and that all food products will comply with the requirements of section 402 of the Federal Food, Drug & Cosmetic Act as amended.
3. We agree to ship no fish that were harvested from an area that is covered by a state CFP problem.
4. We certify that any aquaculture product comes from farms where only aquaculture drugs approved by the United States Food & Drug Administration are used and proper drug usage is administered. We further certify that only food or color additives approved in the US Food & Drug Administration are present and declared in accordance with applicable Federal & State Regulations.
5. We further agree that all of our product will meet or exceed the declared net weight on each container and that all products will be labeled in compliance with guidelines set forth in the Food & Drug Administration Seafood Act.
6. We certify that our frozen salmon products are parasite free and have been frozen to a temperature of -4°F (-20°C) or below for a period of 7 days (168 hours) or more in line with the National Center for Environmental Health's, Vessel Sanitation Program.

Sincerely,

Hamish Rose
Vice President
